

Request for Approval of Brand-Name Drug

The prescribed drug you are applying for as an exception is covered up to the lowest cost interchangeable price. If this exception is approved, you will receive reimbursement up to the reasonable and customary price for the product dispensed. Some plans do not allow for reimbursement of brand name drug where generic(s) exist. Depending on the details of your plan, you may not be eligible for reimbursement of brand name drug. The cost of the prescribed drug will only be considered under this plan provided the prescribing physician indicates that the lowest cost interchangeable drug(s) cannot be tolerated or are ineffective for the patient.
